ONE VOICE
Greg Skodacek

```
        G                 D/F#
Every tribe, every tongue
        C                 D
Every nation in one voice
            G                     D/F#
Opening our hearts, baring our souls
            C           D
With all creation we rejoice

D                 G                   D
And with one voice before Your throne
D           Am7     Am7/G  C
Joined with many, we are one
          G               D
Lord we bow to You alone
D           Am7         Am7/G       C
Worship the Spirit, Father and Son
D/F#          C G  Am7 G  C G   Am7 D
And we cry Holy, Holy, Holy, Jesus

Am7 G/B   C  G/B  Am7  G/B  C  G/B
    Am7           G/B  C                    G/B
An empty sacrifice is not what You desire
Am7                 G/B
So in one voice we come to You
C                       D     D2/E D/F#
A broken, contrite choir

                  C G                     Am7 G
In one voice - Holy, In one voice - Holy,
                  C G     Am7 G
In one voice - Holy, Jesus
